Subject: ACTION BY TUES, 6/29: input for monthly State Secty call - PADEP & WVDEP

By the next Tues, June 29 managers meeting, please submit your proposal for any critical hot and/or emerging issues that you feel the RA should raise during his monthly meeting with **PADEP and WVDEP**.

You have the option of either emailing me PRIOR to the managers meeting (preferred), or raising the topic during the meeting to confirm it should be included this month.

Pls respond to this email with “no input” if no hot issues for your group.

For context, we submitted the following topics last month:

For PADEP:

- **Ex. 5 DPP / Ex. 7(A)**

- Background: On May 7, LSRA, with assistance from the Environmental Integrity Project, filed a Motion to Intervene in the federal district court in a CWA case brought by the U.S. and PADEP against CRW and the City of Harrisburg for alleged failure to implement an approvable Long-Term Control Plan under the Partial Consent Decree to stem the flow of combined sewage into the Susquehanna.
